- Work with the communications team to generate ideas, develop project plans, shoot and edit content.
- Utilize editing software to edit images as required.
- Ensure all equipment is charged, setup, and stored correctly before and after every shoot.
- Assist with archiving photographic images and maintaining an easily accessible database of images.
- Maintain accurate records and logs for photography activities.
- Perform other duties as required.

Requirements

- A good working knowledge of the Adobe Creative Suite (Photoshop, Illustrator, etc.).
- High level of attention to detail.
- Demonstrated photography experience.
- Ability to organize and prioritize numerous tasks and complete them under time constraints.
- Ability to work well within a team-oriented environment.
- Videography skills a plus but not essential.
