

TWO LABS

Online Incubation Lab

Date:
Spring 2021
5 days

Topic:
The Future of Work, Re-skilling and the Role of a Young Person

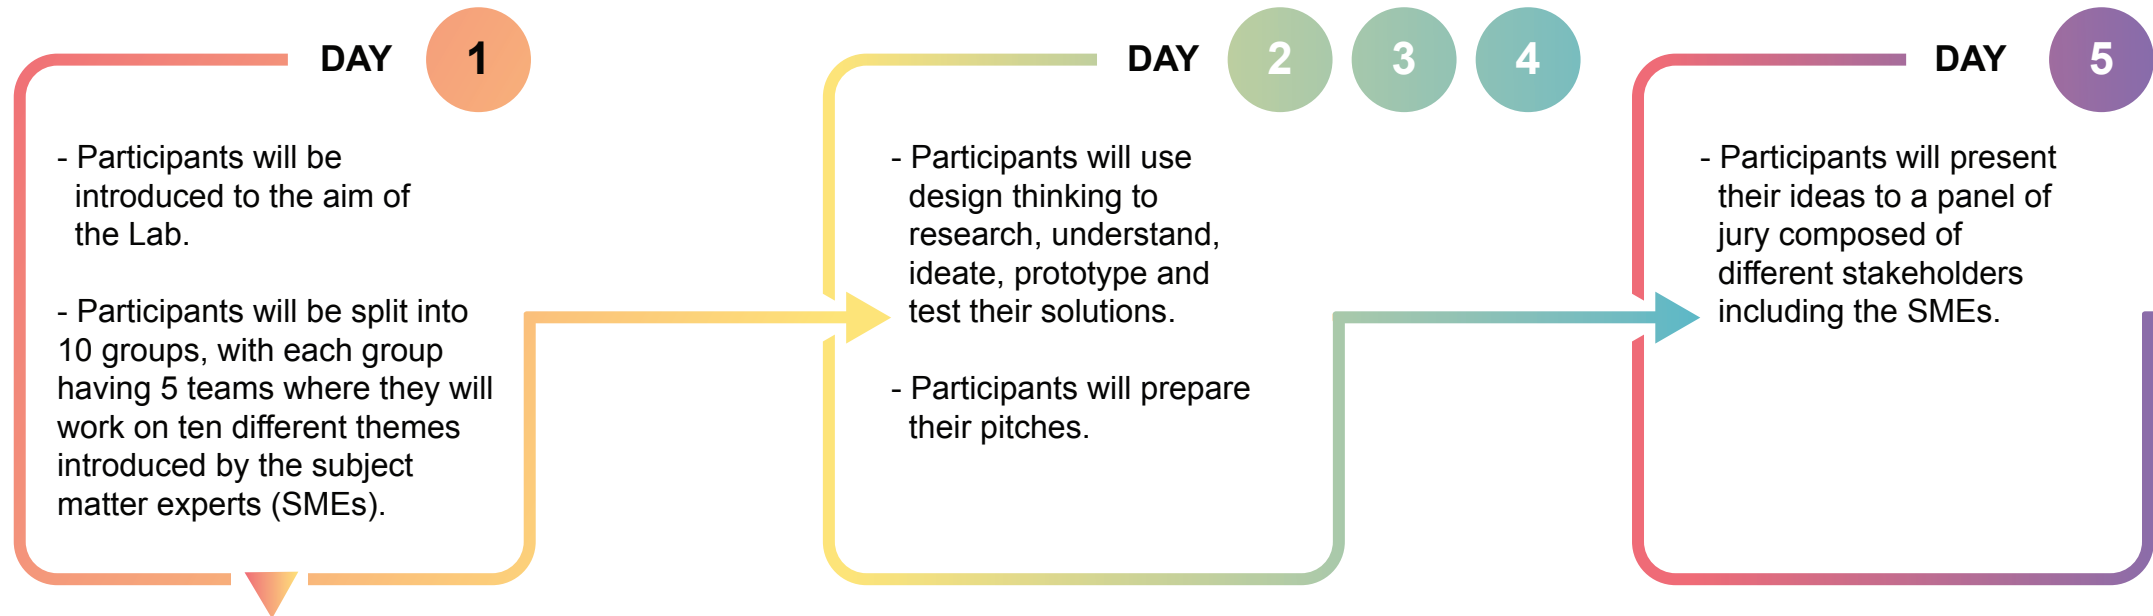

Aim:
To engage, train and support **200 participants** from the AWASAR to identify solutions to close the employability skills gap in the future workforce in the dawn of the 4th industrial revolution and post COVID-19.

Selection:

- Call for participation using GDL, AIESEC and other partner networks (Fall 2020).
- **200** young participants selected.
